Visit to Diageo Archive, Menstrie, 11.00am Wednesday 9th October

2019 is the 50th anniversary of VAT 69 coming to Queensferry. We have arranged a private visit to the Diageo Archive at Menstrie which is not normally open to the public.

The archive is a giant treasure trove of stories, brand information, images, and bottles and is the largest and most comprehensive archive in the spirits industry.

We are limited to a maximum of 15 visitors, so please register your interest with David Learmond – david.learmond@gmail.com
